## THE MOST HOLY BODY AND BLOOD OF CHRIST

### BULL OF INDICTION OF THE ORDINARY JUBILEE OF THE YEAR 2025 FRANCIS BISHOP OF ROME SERVANT OF THE SERVANTS OF GOD

### *The Solemnity of* **CORPUS CHRISTI**

June 22, 2025

**THE EUCHARIST** is that love  
which surpasses all loves  
in heaven and on earth

St. Bernard of Clairvaux

11. Signs of hope should also be shown to the *sick*, at home or in hospital. Their sufferings can be allayed by the closeness and affection of those who visit them. Works of mercy are also works of hope that give rise to immense gratitude. Gratitude should likewise be shown to all those healthcare workers who, often in precarious conditions, carry out their mission with constant care and concern for the sick and for those who are most vulnerable.

Inclusive attention should also be given to all those in particularly difficult situations, who experience their own weaknesses and limitations, especially those affected by illnesses or disabilities that severely restrict their personal independence and freedom. Care given to them is a hymn to human dignity, a song of hope that calls for the choral participation of society as a whole.

12. Signs of hope are also needed by those who are the very embodiment of hope, namely, *the young*. Sadly, they often see their dreams and aspirations frustrated. We must not disappoint them, for the future depends on their enthusiasm. It is gratifying to see the energy they demonstrate, for example, by rolling up their sleeves and volunteering to help when disasters strike and people are in need. Yet it is sad to see young people who are without hope, who face an uncertain and unpromising future, who lack employment or job security, or realistic prospects after finishing school. Without the hope that their dreams can come true, they will inevitably grow discouraged and listless. Escaping into drugs, risk-taking and the pursuit of momentary pleasure does greater harm to them in particular, since it closes them to life's beauty and richness, and can lead to depression and even self-destructive actions. For this reason, the Jubilee should inspire the Church to make greater efforts to reach out to them. With renewed passion, let us demonstrate care and concern for adolescents, students and young couples, the rising generation. Let us draw close to the young, for they are the joy and hope of the Church and of the world! (an excerpt)
