CHRIST THE KING: THY KINGDOM COME!

The Solemnity of Our Lord Jesus Christ, King of the Universe, was instituted by Pope Pius XI in1925, at a time when the world was increasingly turning away from God. In the aftermath of the First World War, amid growing nationalism, secularism, and political upheaval, the Pope sought to remind Christians that Christ's kingship extends beyond the walls of our churches and into every aspect of human life.

At the heart of this feast is the **Social Kingship of Christ**: the conviction that the Gospel is not simply a matter of private belief, but must also shape the way we live together as families, communities, and nations. Christ is King not only of our hearts, but of the whole of human society. His kingdom is one of truth and life, holiness and grace, justice, love, and peace.

Every time we pray the Our Father, we make a remarkable petition: **"Thy kingdom come, thy will be done, on earth as it is in heaven."** We are asking for more than a distant heavenly kingdom. We are praying that God's will may take root here and now, in our relationships, our institutions, our decisions, and our common life.

Christ does not reign through force or domination, but through the power of truth and love. His throne is the Cross, and his crown is one of thorns. To acknowledge Christ as King is therefore not merely to give him a title, but to allow his Gospel to transform the world in which we live.

As we conclude the liturgical year, this great solemnity invites us to ask:

If Christ truly reigns in my heart, how is his kingdom made visible in the way I live?
